This Profile provides information about the application of IFRS Standards in Sri Lanka. IFRS Standards are developed and issued in the public interest by the International Accounting Standards Board (the Board). The Board is the standard-setting body of the IFRS® Foundation, an independent, private sector, not-for-profit organisation.

This Profile has been prepared by the IFRS Foundation based on information from various sources. The starting point was the answers provided by standard-setting and other relevant bodies in response to a survey that the Foundation conducted on the application of IFRS Standards around the world between August and December 2012. The Foundation drafted the profile and invited the respondents to the survey and others (including regulators and international audit firms) to review the drafts, and their comments are reflected.

The purpose of the IFRS Foundation's Jurisdictional Profiles is to illustrate the extent of implementation of IFRS Standards across the globe only. The Profiles do not reflect the intellectual property licensing status of IFRS Standards within any given jurisdiction. The IFRS Standards are protected by copyright and are subject to different licensing arrangements according to jurisdiction. For further information, please contact Licences@ifrs.org.

IFRS ENDORSEMENT

Which IFRS Standards are required or permitted for domestic companies?

SLFRS that are adopted by CA Sri Lanka and gazetted by legislation. These are IFRS Standards with several modifications as [explained in the IFRS Endorsement Section](#) of this profile.

The auditor's report and/or the basis of presentation footnotes states that financial statements have been prepared in conformity with:	Sri Lanka Financial Reporting Standards.
Does the auditor's report and/or the basis of preparation footnote allow for 'dual reporting' (conformity with both IFRS Standards and the jurisdiction's GAAP)?	No.
Are IFRS Standards incorporated into law or regulations?	Indirectly.
If yes, how does that process work?	The Sri Lanka Accounting and Auditing Standards Act No. 15 of 1995 requires all companies to comply with accounting standards established by CA Sri Lanka. Sri Lanka Financial Reporting Standards adopted by CA Sri Lanka are the 2011 version of IFRS Standards with modifications as explained in the IFRS Endorsement Section of this profile.
If no, how do IFRS Standards become a requirement in the jurisdiction?	Not applicable.
Does the jurisdiction have a formal process for the 'endorsement' or 'adoption' of new or amended IFRS Standards (including Interpretations) in place?	Yes.
If yes, what is the process?	<p>CA Sri Lanka exposes for public comment all exposure drafts of new or amended IFRS Standards and draft interpretations. CA Sri Lanka also conducts CFOs' round table discussions to identify the impact of the proposed standard in Sri Lanka. Afterwards, CA Sri Lanka forwards its views to the Board.</p> <p>When the Board issues a final IFRS Standard or Interpretation, CA Sri Lanka reviews the IFRS Standard and related technical materials. In a few cases this review has resulted in modification or deferral of the standard for use in Sri Lanka.</p> <p>Thereafter, the standard is translated into Sinhala and Tamil and published in the <i>Extra Ordinary Gazette</i> as required by the Accounting and Auditing Standards Act No: 15 of 1995 in Sri Lanka. Once gazetted, the standard becomes legally authoritative.</p>
If no, how do new or amended IFRS Standards become a requirement in the jurisdiction?	Not applicable.

Has the jurisdiction eliminated any accounting policy options permitted by IFRS Standards and/or made any modifications to any IFRS Standards?	<p>Yes.</p> <p>Sri Lanka Financial Reporting Standards comprise not only IAS Standards, IFRS Standards, and IFRIC and SIC Interpretations, but also:</p> <ul style="list-style-type: none"> • Statements of Recommended Practices (SoRPs, which address accounting for common control combinations and reporting by not-for-profit organisations); • Statements of Alternate Treatment (SoATs); and • Financial Reporting Guidelines issued by the Institute. <p>In adopting IFRS 7 <i>Financial Instruments: Disclosures</i> as Sri Lanka Financial Reporting Standard (SLFRS) 7, Sri Lanka did not require comparative information for periods beginning before 1 January 2013. IFRS 7 would require such information. This was transitional relief rather than a modification of IFRS 7.</p> <p>Sri Lanka has adopted an alternative treatment with respect to some right of use land on lease.</p> <p>Sri Lanka has adopted an alternative treatment with respect to accounting for a new 'super gain tax' that is required by Sri Lankan law but that is inconsistent with paragraph 46 of IAS 12 <i>Income Taxes</i>.</p>
If yes, what are the changes?	Not applicable.
Other comments regarding the use of IFRS Standards in the jurisdiction?	None.

TRANSLATION OF IFRS STANDARDS

Are IFRS Standards translated into the local language?	Yes. Sri Lanka Financial Reporting Standards are translated into both Sinhala and Tamil languages. Thereafter, those two versions along with English are gazetted and published.
If they are translated, what is the translation process? In particular, does this process ensure an ongoing translation of the latest updates to IFRS?	The translation process ensures the on-going translation of the continuous updates to IFRS.

APPLICATION OF THE IFRS FOR SMEs STANDARD

Has the jurisdiction adopted the <i>IFRS for SMEs</i> Standard for at least some SMEs?	Yes. Sri Lanka has adopted the <i>IFRS for SMEs</i> Standard as the SLFRS for SMEs.
If no, is the adoption of the <i>IFRS for SMEs</i> Standard under consideration?	Not applicable.
Did the jurisdiction make any modifications to the <i>IFRS for SMEs</i> Standard?	No.
If the jurisdiction has made any modifications, what are those modifications?	Sri Lanka Statement of Alternative Treatment No 2 had added a revaluation option for property, plant and equipment that was not originally in the <i>IFRS for SMEs</i> Standard, but such an option was added to the <i>IFRS for SMEs</i> Standard in 2015.
Which SMEs use the <i>IFRS for SMEs</i> Standard in the jurisdiction, and are they required or permitted to do so?	Specified Business Enterprises (SBEs) above a defined size threshold (see item 12 in the Extent of IFRS Application Section above) and non SBEs are permitted to apply the SLFRS for SMEs Standard.

For those SMEs that are not required to use the <i>IFRS for SMEs</i> Standard, what other accounting framework do they use?	SMEs may use SLFRSs instead of the SLFRS for SMEs.

Other comments regarding use of the <i>IFRS for SMEs</i> Standard?	None.
